RE: Notice of appeal for 04-1328-GMS

Date 8/22/07

Dear Sir the Law Library of Pritikal here at the prison
gave me this notice of appeal and after late I don't
know how to express this concern to the Honorable Gregory in sheet
but the law librarian said he would convey the facts and
told me to stress this fact to the Honorable Court I humbly
request this consideration and not be penalized as I was
for the mail room here at the prison was previously
entered into circulation [i.e. the mail] my response to show
cause and that was no fault of my own I placed it in U.S.
Mail on the 3 of June and it arrived late which was a factor
in Dismissing my case not withstanding every consideration that the
State Defendant could be the mail not me, the plaintiff will
humbly await the Honorable Court's response
